2026 HERITAGE CQ DX HALL OF FAME by INDEXA

Established in 1967, the CQ DX Hall of Fame honors those amateurs who have made exemplary contributions to DXing and DXpeditioning; including both on-air and off-air activities and accomplishments. The activities and accomplishments that qualify one for membership in this elite group called the CQ DX Hall of Fame involves considerable personal sacrifice and can usually be described by the phrase "above and beyond the call of duty." It is not enough to just be a DXpedition team member a number of times. To be in the DX Hall of Fame you might need to have the foresight to organize DXpeditions to the very hard to reach entities around the globe or perhaps work on ways to open Amateur Radio in the countries where politics exclude it. Other accomplishments could also be to create or provide new and/or important techniques that support the DX chaser. Other important attributes to be considered include “integrity”, “perseverance”, “good will”, “honesty” and “being noncontroversial”.

Nominations will be open January 1, 2026 through February 28, 2026. Please send to Bob Schenck, N2OO (n2oo@comcast.net) . They should include a detailed overview of why the individual should be considered for induction. Make sure to put “CQ DX HALL OF FAME” in the subject line.

Inductees will be announced at the SWODXA - Dayton DX Dinner.
